Tuition General Information

Tuition is due on the 1st of each month.
Our tuition is a flat rate based on a 4-week period. Because our dance calendar does not perfectly align with our billing cycles, and we only bill on the 1st of each month, there is an additional 1/2 cycle June bill to cover rehearsal week as well as classes not covered by the 4 week schedule. (I.e. October has 5 weeks however, we only bill 4 weeks in October.)
There are no refunds, transfers, credits, or deductions for missed classes for any reason. In the event that the studio closes due to inclement weather, a makeup class will be scheduled.
In the event that a student wishes to withdrawal from a class, tuition will be billed until the studio receives written notification that a dancer plans to drop a class.
Payments should be made online through your Studio Director Account. Recurring payments may be set up through you account so you will be billed automatically each month. Credit Card information is stored securely with Vantiv, the merchant bank we use. Neither McCann's nor Studio Director retain any credit card information on our servers. We will accept cash or check payments at the studio. Please place these payments in the tuition drop-box in the front lobby or hand them to our front desk staff.
Tuition for the Musical Theater class and Senior Rehearsals will not appear on your account until January. If you are waitlisted, this is because the class is not active so you do not get charged tuition for this class. Before they begin in January, our staff will manually enroll all waitlisted students and tuition will be added to your account.
Saturday morning yoga is a drop-in class. You may register online however, you will not be billed for this class through Studio Director. Saturday morning yoga is only offered on select dates and will be \$10 per class which can be paid with cash or check at the front desk before class begins.
